ABOUT US

Cultivating Excellence for the Global Market

Agrovia Enterprise is a premier merchant exporter based in Gujarat, India, specializing in top-tier dehydrated onion, dehydrated garlic, authentic ground spices, and pure wild forest honey.

Founded with a vision to connect local farms with international markets, we ensure that every flake, granule, powder, and jar of honey retains its natural essence. Our state-of-the-art processing facilities and stringent quality control measures guarantee that our products meet the highest global standards.

- ✓ Ethically sourced from sustainable farms in Mahuva, Gujarat
- ✓ Advanced cold-chain dehydration technology
- ✓ Uncompromising hygiene & food safety standards
- ✓ Timely global delivery via Mundra Port
- ✓ Custom packaging & private labelling available
- ✓ Bulk supply: 20-ft container = 18–20 MT capacity

OUR MISSION & VISION

Delivering Sustainable Agricultural Excellence

Mission: To deliver premium, tailor-made agricultural products designed to meet the unique needs of the global food industry — ensuring superior flavor, aroma, and shelf-life for food manufacturers, spice blenders, and culinary businesses worldwide.

Vision: To become a globally leading exporter of premium dehydrated vegetables and spices, renowned for exceeding customer expectations through uncompromising quality and sustainable farming practices.

"Empowering global tastes with premium, sustainable agricultural exports for a healthier tomorrow."

WHY CHOOSE US

Your Trusted Export Partner

1

Premium Quality Sourcing

All products sourced directly from the best growing regions of Gujarat, including Mahuva — India's onion and garlic capital.

2

Advanced Processing

State-of-the-art dehydration and grinding facilities with cold-chain infrastructure to preserve freshness and nutrition.

3

Custom Packaging & Labelling

Flexible packaging options — 25kg PP bags, jumbo bags, retail packs, and private label branding for your market.

4

Rigorous Quality Control

Every batch undergoes stringent lab testing for moisture, colour, purity, and microbiology before shipment.

5

Competitive Pricing

Direct farm-to-export model eliminates middlemen, ensuring the best prices without compromising quality.

6

Reliable Global Logistics

Strategic location near Mundra Port enables fast, cost-effective shipping to 20+ countries worldwide.
